Deutsch Settlers 4 Patch 3d - Error initializing graphics This is a bug that can be fixed by updating the graphics driver. To do this, please start up the game. Then go to Options > Graphics > Display. Please set the driver to latest, latest generic, or google-chrome (if your graphics card does not have any drivers in the list). Click OK, and try to launch the game. If it starts and you can still see the tutorial screen, then update your graphics driver. If you still see the Error Initializing Graphics screen after you update the graphics driver, then the game is still bugged and you can try to do the following: 1) Stop the game completely. 2) Go to the C:\Users\USERNAME\AppData\Local\Sketchfab\Sketchfab_Client folder and delete the last 3 files there (please see the Help menu in Sketchfab for more information). 3) Restart the game. 4) If the bug is still there, try to reinstall the game.
